

## Plan a trip from one location to another

You will need to purchase tickets to travel. You can buy your tickets at the ferry terminal or buy them online in advance. Tickets can be used any day for up to 90 days. You should consider making a vehicle reservation if you are bringing a car or motorcycle on any of the routes listed at the top in [vehicle reservations](#). A vehicle reservation is free, however you will need to show up to the terminal at your reserved departure time to avoid a no-show fee. You can change or cancel your vehicle reservation for free before 5pm the previous day of travel.
